

# Указания как да промените езика на платформата за електронно обучение Moodle Zofia Zamenhof

В случай, че се сблъскате с трудности при промяна на езика на курса за електронно обучение, следвайте указанията по-долу.

- Отидете на <https://moodle.zofiazamenhof.pl/>
- Кликнете върху икона, както е посочено по-долу

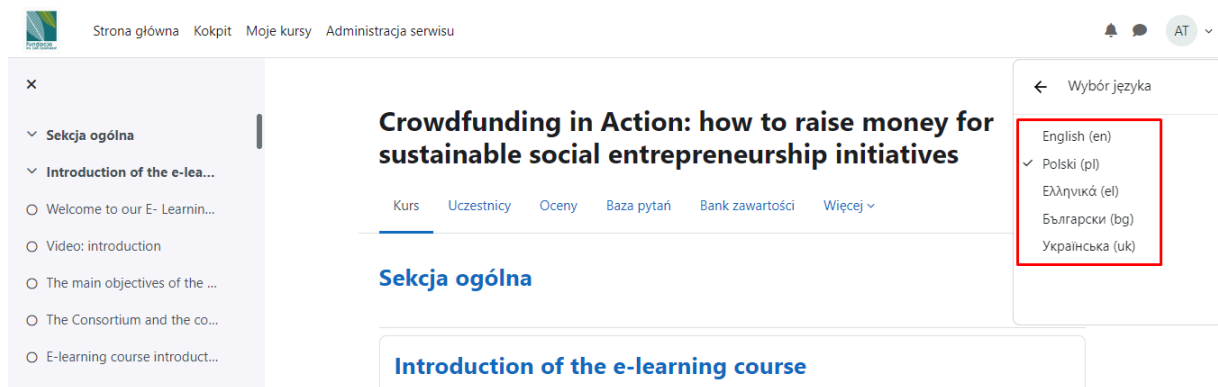

The screenshot shows the Moodle Zofia Zamenhof platform interface. The user profile menu is open, and the 'AT' language code is highlighted in a red box. The main content area displays the course title 'Crowdfunding in Action: how to raise money for sustainable social entrepreneurship initiatives' and the section 'Sekcja ogólna'.

- След това кликнете върху "Język" и изберете езика, който желаете.

The screenshot shows the Moodle Zofia Zamenhof platform interface. The user profile menu is open, and the 'Język' (Language) option is highlighted in a red box. The main content area displays the course title 'Crowdfunding in Action: how to raise money for sustainable social entrepreneurship initiatives' and the section 'Sekcja ogólna'.

The screenshot shows the Moodle Zofia Zamenhof platform interface. The user profile menu is open, and the 'Wybór języka' (Language selection) menu is displayed. The 'Polski (pl)' option is selected and highlighted in a red box. The main content area displays the course title 'Crowdfunding in Action: how to raise money for sustainable social entrepreneurship initiatives' and the section 'Sekcja ogólna'.

Честито! Успешно променихте езика на платформата!
